Professional Summary

Electronics and Communication Engineering undergraduate with a CGPA of **9.2/10** and hands-on experience in Python, SQL, HTML, CSS, and JavaScript. Strong foundation in programming, databases, web development, and problem solving, with experience in computational research and developing interactive web applications.

Technical Skills

- **Programming:** Python, C, JavaScript
- **Web Development:** HTML, CSS
- **Database:** SQL, DBMS
- **Data & Analytics:** Microsoft Excel, Power BI

Experience

Research Intern – SRM University-AP June 2026 – July 2026

- Conducted computational research using Density Functional Theory (DFT) to study MXene-based materials.
- Generated and analyzed band structure and density of states (DOS) results to investigate electronic properties.

Projects

AI Voice Assistant – Jarvis

- Developed a Python-based voice assistant capable of responding to voice commands and performing tasks such as opening applications, searching the web, playing music, and providing basic information.
- Integrated speech recognition and text-to-speech functionality for interactive voice-based communication.

Personal Portfolio Website

- Designed and developed a responsive personal portfolio website using HTML, CSS, and JavaScript to showcase skills, projects, education, experience, and certifications.
- Developed responsive webpages and interactive user interfaces using HTML, CSS, and JavaScript, focusing on structured layouts, styling, navigation, and mobile responsiveness.
- Implemented interactive navigation and responsive layouts for different screen sizes using JavaScript and CSS.

Education

Sri Venkateswara College of Engineering, Tirupati 2023 – 2027

B.Tech, Electronics and Communication Engineering

CGPA: 9.2/10

Certifications

Research Internship – DFT Study of MXene June 2026 – July 2026 *SRM University-AP*

Cloud Computing with AWS & DevOps Basics May 2025 – July 2025 *International Institute of Digital Technologies (IIDT), Tirupati*

AWS Educate – Introduction to Generative AI March 2026 *Amazon Web Services (AWS)*
